Remarks on the Budget Estimates of Arsikere Town Municipality for 1941- 2.

The Budget as anticipated by the Municipal Council stands/as follows

Opening balance	17,206
Receipts	81,132
Total	98,4 8
Expenditure	<u>83,235</u>
Closing balance	15,243

But it is seen from the abstract put up on the first page of the Budget form that the actual closing balance (audited figures) for 1939-40 was Rs 16,475/- This should have been adopted as the opening balance for 40-41 under revised estimate, but instead, Rs 16,250/- has been shown Taking 16,475/- as the correct closing balance for 39-40, the opening balance for 41-42 comes to Rs 16,791/- which may be adopted, as against Rs.17,266/-

Receipts 1 Municipal Rates and Taxes 1 Petrol A sum of Rs 10,000/- is expected from this source the revised estimate is Rs 9,500/- while the sanctioned estimate for 40-41 is Rs 10,000/- The provision may be retained

2 Taxes on buildings and lands the sanctioned and the revised estimates for 40-41 are Rs 6000/- No explanation is offered for the increased provision of Rs 1,500/-. The provision may be reduced to Rs 6,000/-

3 Totals the sanctioned estimate for 40-41 was Rs 10,000/- while the revised estimate is Rs 12,000/- This income under revised estimate is in spite of the fact that the shandy was stopped for nearly 4 months on account of plague infection the provision of Rs 13,000/- made by the Municipal Council may be allowed to stand

6 Water tax The provision of Rs 6000/- made by the Council as against Rs 4,500/- under revised ~~revised~~ estimates appears to be rather ambitious It may be reduced to Rs 5000/- in view of the explanation offered.

9. Mohatarfa Rs.3000/- No explanation is offered for the increase of Rs.1000/- over the revised estimate This may be reduced to Rs 2,000/-

Total A will, with the above modifications, be Rs 30,000/- as

1. Miscellaneous A provision of Rs 15,809/- is made under this item. Iner withdrawal from S.B. deposits a sum of Rs 14,250 - has been included. This is not an item of income and the amount can be withdrawn whenever necessary. Even under Land Acquisition refund, it is not explained whether any savings can be effected with reference to the award passed by the Land Acquisition Officer. Hence the above two items may be deleted 14250 + 1250 = 15,500/-

Total C. Rs 300/-

Table below

Deposits	1000
Advances	1000
Total	2000

Total F. Rs 2000/-.

The total receipts will with the above modifications be Rs 55,073/- as against Rs. 1,182/- shown in the budget.

2 Other taxes Under toll gate establishment, a provision of Rs 1,800/- is made as it is proposed to enhance the pay of the toll gate keepers. The provision may be retained subject to the specific sanction of Government, which will be applied for, if found necessary. The other items call for no remarks.

III. Pensions and gratuities including pensionary contribution Rs.500/-. No remarks. Total A. Rs.5,762/-.

B. Public Safety. The provision of Rs.3,759/- may be reduced to Rs 3,709/- retaining only Rs 50/- instead of Rs 100/- against

against the item 'captivity, and depowering monkeys'.

The other items call for no remarks.

A large item of Rs 15,130/- has been provided under Water Supply, and interference, for the electrification of the Water Supply plant. This may be allowed as the proposal has been sent up to Government for sanction, a moiety of the cost being applied for as a grant from Government.

Total E Rs 34,493/-

Total F Rs 600/-

G. Contributions and Grants-in-aid (private) A new provision of Rs.30/- is made for contribution to Tirupeth Sree Venkateramaswamy temple. This may be retained subject to specific sanction by Government which will be applied for separately.

The other items call for no remarks

Total C Rs. 520/-

H. Miscellaneous. A new provision of Rs.200/- is made towards the relief for fire accidents which may be retained

Pay Charges Rs. 150

Deposits 1,000

Interest on investment viz, Rs. 200/- is an income which is taken into account on the receipt side. This may be deleted

Total I Rs. 2000/-

The total expenditure with the above modifications is Rs. 78,584/- as against Rs. 83,200/- provided by the Council.

The Budget, with the above modifications stands as follows

Opening balance	Rs. 16,781/-
Receipts	59,673/-

Total	76,454/-
Expenditure	78,584/-

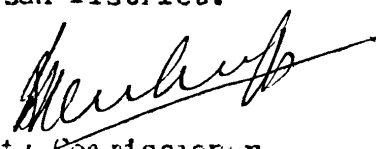

Closing balance -2,120/-

Total Receipts	59,673	Total Expenditure	78,584
Deduct extraordinary items such as		Deduct extraordinary items of expenditure such as	
1. Sale of lands	10,000	1. Furniture	100
2. Interest on investment	250	2. Public works	25000
3. Sale of unserviceable articles	50	3. Compensation	6000
4. Government grant	7,500	4. Electric pumpin g set	15130
5. Public Debt	1,000	5. Private contribution to Thirupathi temple	300
Total	19800	6. Public debt	2000
Normal income	39873	Total	47530
		Normal expenditure	31,054

Though the normal expenditure is well within the normal income, the Council cannot maintain the prescribed closing balance, and it will be on the other hand a minus one. However, the Council has an investment of Rs. 21,270/- in the Government Savings Bank Account. A sum of Rs. 6000/-

Rs.6000/- nearly is outstanding recovery under assessed taxes. As proposed above, the Municipal Council will have a debit balance at the close of the year. It is expected that such a contingency will not arise, as the receipt side of the budget has been framed modestly. Should however occasion were to arise for a debit balance a part of the investment will be utilised to meet it out. Necessary provision has been made for the use of the Council for the duties devolving on the Council and the payment of contributions due to Government.
